SO

DETAILED ACTION

1. The timely submission under 37 CFR 1.129(a) filed on 6/7/04 is not fully responsive to the prior Office action because there is no indication which of the newly submitted claims read on the elected species. If claims are added after the election, applicant must indicate which are readable on the elected species. MPEP 809.02(a). Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
